ENJOY A DAY AT SEA

Premiere Showing

Enter a world where fine art meets illusion. Welcome to the hiding place and treasure trove of Prospero, a 19th century magician whose rise to fame was suddenly interrupted by his mysterious disappearance. Watch as he materializes once again and summons the powers with which he entertains and amazes, bringing familiar sculptures and paintings to life in the process. But don't blink or he'll be gone, leaving you to ask yourself, "Was it real or just an illusion?"

Special preview show at 2:00pm
Show times are at 6:30pm & 8:30pm
Walt Disney Theatre, Deck 4, Forward

Out of the courtesy for others, we kindly ask that you please refrain from using flash photography and video recording devices during the show. Thank you.
