## Welcome to Copenhagen

### The Livable City

Denmark's charming capital city is a metropolis, but one with a human face. In fact, the residents of Copenhagen have been voted the happiest people in the world, and for good reason. The medieval city and its old, cobbled streets provide an evocative backdrop for a thriving cultural scene, evident through its art galleries, museums, music and theatres.

Copenhagen is one of Europe's oldest capitals, inhabited for the past 6000 years, and the Danish monarchy is the oldest in the world. Despite conflict, power struggles and outright wars, Copenhagen continued to grow and prosper and became the capital of the Danish Kingdom in the 13th century.

Today, Copenhagen is a grand and vibrant city of the Baltic, full of landmarks from centuries of eventful history, side by side with modern architecture and thoughtful urban planning. You never have to walk far to find a splendid royal palace or one of the countless edifices of royal houses of the past. Here you'll find Europe's longest city pedestrian street, Strøget, winding its way through the inner city, with shops full of world-class Danish design and fashion.

Discover the idyllic setting for one of the world's most environmentally friendly cities and discover Scandinavia at its best.

### Debark Talk Broadcast

Important information regarding disembarkation procedures for your journey home will be covered in this debarkation briefing. The broadcast will be shown continuously on channel 24-2 of your stateroom television for your convenience.

Thank you in advance for completing your comment card.

## SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.

## COPENHAGEN OVERVIEW

Copenhagen is one of the favored European capitals, often described as a charming provincial town with the lively atmosphere of a capital city. It is situated on Sjaelland (pronounced Zealand), the largest island belonging to Denmark, sitting east of the main landmass and is the largest city in Denmark. The city is an orderly layout of canals and streets with several parks dotted throughout, giving it an instant appeal. Copenhagen is one of northern Europe's busiest harbors. The warm welcoming atmosphere can almost be felt when you sail into or out of the picturesque harbor and guests are greeted by the bronze statue of the famed Little Mermaid, or "Den Lille Havfrue," was commissioned in honor of author, Hans Christian Andersen. It is located on the waterfront and is a 10 minute walk from the port of Langelinie, in the direction of the Amalienborg Palace, gazing out to sea, at the entrance.

After World War II, most of the old center of Copenhagen was pedestrianized making it a paradise for shoppers who can admire at leisure, the latest marvels of Danish design. Still, one of the best ways to get around the city is by bicycle, a familiar sight on the streets. With a population of nearly 1.8 million, Copenhagen is Scandinavia's largest and liveliest city.

The lively "Latin Quarter" is bound to the south by Stroget, the city's main shopping street and to the north by Gothersgade, a large avenue separating Rosenborg and the "new town." Tivoli Gardens is just off the Radhuspladsen and is one of the world's oldest leisure parks. The century old amusement park is an excellent place for the young at heart. They contain popular shops, sidewalk cafes, and museums.

### Safety Ashore Information

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. – Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
