## Welcome to Geiranger

Powered by Nature

Favored by people worldwide, Geiranger has an incredible photo op at every turn. This small tourist village is located in western Norway at the headwaters of Geirangerfjord, known as the real jewel of the Norwegian fjords. With its characteristic "S" shape, its awe-inspiring waterfalls, including the spectacular Seven Sisters, the Sutor and the Bridal Veil, and scattered cliffside farms, most long abandoned, still cling to the towering, near-sheer walls, the fairytale landscape is included on UNESCO's list of World Heritage sites. At nine miles long and more than 800 feet deep, Geirangerfjord is one of the longest, deepest, most narrow fjords in the world.

Geiranger was relatively isolated in the 1800s. People either had to take a packhorse over to the village of Skjåk or make their way on foot over the mountain to Eidsdalen. The fjord was particularly long if you were travelling by rowboat. Life was hard enough for people struggling to eke out a living on the mountain ledges along the fjord and on the challenging land of farms in Geiranger village.

Today, Geiranger offers a totally new perspective and a rich history and culture to share. The world looks quite different at 4,000 feet, and Geiranger offers vantage points galore. From hiking or biking the mountain peaks to kayaking on the Fjord, walking up from Norddal to sample goat's milk cheeses at a local farm to just breathing the fresh mountain air, Geiranger is a destination that will take your imagination to new heights.

# SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.

## ANNA'S CHOCOLATE CHASE SCAVENGER HUNT RIDDLES

*Disney Magic - 9:00 am - 11:00 pm*
